MEMORANDUM FOR: Committee Chairmen

Secretariat Staff, ICS

STAT

SUBJECT: Committee Liaison with the President's Foreign  
Intelligence Advisory Board (PFIAB)

1. In January 1982, the DCI informed the newly-formed PFIAB that the Intelligence Community Staff would be the focal point for coordinating PFIAB transactions with the Intelligence Community. The support role is assigned to the Secretariat Staff, ICS. The Secretariat maintains, on behalf of the DCI and DDCI, a log of transactions between elements of the Intelligence Community and the PFIAB.

2. In order to ensure integrity of the central log and facilitate DCI approval of interactions, you are requested to advise me [REDACTED] of PFIAB requests for information from your Committees. I will look to the Executive Secretary of each Committee to serve as point of contact with this office.
